

Pre-event information

Event center

The event center is located at Jõeveere farmstead in Lindora village, Võru county, South Estonia. For access routes and location of the event center see the map at <http://rogain.ee/en/hash/>.

Changes in teams, participation fees

In case of any last minute changes in team composition or if you have not yet paid the participation fee, please approach first the table labeled "Problems. Cash". Changes in teams can be made only in compliance with the competition Instructions.

Number bibs

The team number is the same as the team registration ID. Number bibs must be pinned on a visible place and must be worn during the whole competition (from start to finish) by all members of the team.

SPORTident (SI) punching

Please check that the number of the SPORTident card indicated in the start list is correct. In case of any changes of SI-cards notify the organisers, at the latest when collecting the event materials. On how to fasten the SI-card with wristband, see the photo series attached. The wristbands are made of textile and shall not be taped over. For your team to collect points for visiting a checkpoint all team members shall punch at this checkpoint within 60 seconds.

Event materials

Handout of event materials (maps, number bibs, wristbands, rental SI-cards) starts at 8:30. There are several tables, pick the one corresponding to your team number. The event map is printed on water- and tear-resistant material. Additionally you will receive paper maps for route planning.

Start

Start of the event is from a designated start area. Start gates open at 9:10. All members of the team shall enter the start area. Don't forget to clear and check your SI-card. Information from 'check' stations will be used to verify that you have passed through the start area. Rental SI-cards have been cleared by organizers.

Judges

There will be judges on the course to observe that teams do not enter into out-of-bounds areas. Any team found in out-of-bounds area shall be disqualified.

Finish

The finish will be located at the event center. All members of the team shall punch at the Finish SI-station. The finish time of the team is recorded as the finish time of the last member of the team punching at the Finish station. After finish, judges will check that the wristband is not broken and thereafter cut the wristband. You can then download your result and receive a SI printout. Rental SI-cards shall be returned at finish.

Catering

Catering is provided from 1 pm. The menu includes soup, pasty, bread, curd snack, fruit drink, tea, coffee.

Prize giving

Prize-giving starts at 18:00. Prizes are granted according to event instructions. Each participant will get a participation certificate.

Medical assistance, emergencies

There is a nurse at the event center providing first aid, if necessary. In case of emergencies on the course, call the organizers +372-56159998.
